MEMORANDUM FOR THE RECORD

25X1A

25X1A

In conference with [] ADD/A, and [] Personnel Director, General Hershey, Director of Selective Service, stated that it is undesirable to defer from draft call any eligible who is desired for a civilian position in the United States. He reiterated that deferments will continue to be granted upon request for any CIA employee or any individual in process for CIA employment for immediate assignment overseas upon completion of essential preliminary training courses. He also strongly advised against arranging for assignment of any draftee after induction and completion of basic training for duty assignment in the United States.
